I am an XM Radio subscriber and have recently been made aware of the actions of the NAB.

As a subscriber to this service, I object to the NAB's actions and their attempt to take away content from a service that I enjoy and use every day. I do not feel the NAB has the right, nor should they be granted the right to dictate what I listen to on my medium of choice.

I respectfully request that the FCC please reject the NAB's petition 04-160.

Thank you for your time.
